### **V. REMARKS**

In response to the Restriction and Election of Species Requirement, Applicant provisionally elects Species 1 illustrated in Figures 1, 2 and 3, with traverse. It is respectfully submitted that that claims 1-3, 5, 6, 9 and 11 read on the elected species.

It is respectfully submitted that the subject matter of all claims is sufficiently related that a thorough search of the subject matter of any one group of claims would necessarily encompass a search for the subject matter of the remaining claims. Thus, it is respectfully submitted that the search and examination of the entire application could be made without serious burden. See MPEP 803 which is stated that "if the search and examination of an entire application can be made without serious burden, the examiner must examine it on the merits, even though it includes claims that are distinct or independent inventions" (emphasis added).

It is respectfully submitted that this policy should apply to the present application in order to avoid unnecessary delay and expense to Applicants and the duplicative examination by the Patent Office.

Applicant would like to point out that the dependent claims 2, 5, 6, 9 and 11 depend from either independent claim 1 or independent claim 3. The Restriction and Election of Species Requirement originally indicated that claims 1-3 read on Species 1. However, since claims 5, 6, 9 and 11 depend from either claim 1 or 3, it is proper that these claims be examined.

In view of the foregoing, reconsideration of the application and allowance of the pending claims are respectfully requested. Should the Examiner believe anything further is desirable in order to place the application in even better condition for allowance, the Examiner is invited to contact Applicants' representative at the telephone number listed below.

Should additional fees be necessary in connection with the filing of this paper or if a Petition for Extension of Time is required for timely acceptance of the same, the Commissioner is hereby authorized to charge Deposit Account No. 18-0013 for any such fees and Applicant(s) hereby petition for such extension of time.

Respectfully submitted,

Date: May 20, 2004
